BUYS A FINE RANCH

The Sale Saturday of the A. C. McDonald Ranch.

One of the largest real estate deals made here in several months was closed Saturday afternoon through the A. Nielsen & Co. agency. It consisted in the sale of the A. C. McDonald eighty-acre to R. Ruden. Mr. Ruden came here about ten days ago from Humboldt county, Cal. He and his wife were both much impressed with the country about Tempe and it did not take them long to conclude that they wished to remain here. Fortunately for them, Mr. McDonald, by reason of an investment in the Buckeye country, placed his place on the market Friday. It occurred to Mr. and Mrs. Ruden immediately that this ranch was the identical thing they were looking for and the deal was quickly made.

The consideration in the transaction was \$16,000 or \$200 per acre. While to a stranger in the valley this would appear a rather stiff price to pay for land, those familiar with the McDonald ranch appreciate the fact that the purchaser got a rare bargain. The McDonald ranch has the well deserved reputation of being one of the best pieces of land under the Tempe canal. Several remarkable records for alfalfa seed production have been made on this eighty and Mr. Ruden is decidedly fortunate in securing so choice a selection of land. He has moved to the place and will take immediate possession though it will probably be a week or two before the McDonalds leave.

FORMER TEMPE GIRL WEDS.

The following item from the Santa Rosa (Cal.) Republican will be of interest to Tempe people by reason of the fact that the young lady mentioned therein was for several years a Tempe resident and graduated from the Normal.

"New Years Eve, at the home of her parents, Rev. and Mrs. Godwin, Miss Grace M. Godwin became the bride of Thomas T. Waterman at a pretty ceremony. The nuptial knot was tied by the bride's father who is a retired minister. Mr. Waterman is a member of the University of California faculty and he will take his bride to Berkeley to reside. Mrs. Waterman was a teacher in the Roseland school."

Ceremony Was Performed in Phoenix Sometime Yesterday.

It was learned last night that sometime yesterday Vice President Beach of the Salt River Valley bank of Mesa City and Miss Mamie Stillwell, the former cashier of the same bank, were married in Phoenix.

Few details of the event could be learned last night. In fact all that was definitely found out, was that they were married and that the ceremony was performed by Mr. Phillips, pastor of the Christian church.

All parties concerned are well known and deservedly popular and their many friends will avail further particulars of the pleasing event.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion
